MANAGEMENT ADVISORY SERVICES

● NICHE ADVISORY BOUTIQUE • SINCE 2017

KUWAIT • MENA REGION

## Who We Are

A niche advisory boutique providing general advisory services with a special focus on the MENA region.

Revolve Advisory is a specialized management consulting firm established in 2017 in Kuwait. The firm supports a diverse portfolio of public and private sector clients, as well as international organizations seeking to establish or expand their presence across the Middle East and North Africa (MENA) region.

Founded by experienced professionals with deep industry knowledge spanning energy, finance, operations, and corporate strategy, Revolve Advisory delivers practical, senior-level advisory services. Our approach is hands-on and tailored — we work closely with our clients as trusted partners, not just consultants.

*"A niche advisory boutique providing general advisory services to clients worldwide, serving local & international clients including individuals, companies and governmental entities."*

We have served clients in different sectors including infrastructure, energy (renewable & oil & gas), oilfield services, contracting, engineering, industrial, environmental, medical & healthcare, education, technology, marine services, venture capital, agricultural & poultry, and power. Our geographic footprint extends across Kuwait, Saudi Arabia, the UAE, and Qatar.
